It represents our club's commitment to its members, volunteers and visitors, acknowledging the role that sporting clubs and associations play in building strong and healthy communities.

This policy will help to ensure our club:

- Upholds the reputation of our club, our sponsors and partners.
- Understands the risks associated with tobacco use and our role in minimising this risk.

2. RATIONALE

Jandakot Lakes Junior Cricket Club recognises that:

- Environmental (second-hand) tobacco smoke is a health hazard and that non-smokers should be protected from it.
- Role modelling can have a significant impact on the junior members of our club.
- Smoke free areas make smoking less visible and less acceptable, and contribute to reduced uptake of smoking among young people.
- Smoke free areas support smokers who are trying to quit as well as reduce their overall cigarette consumption.
- Outdoor smoke free areas help to reduce the amount of cigarette butt litter reducing clean-up costs, fire risk and children's health risk due to swallowing discarded butts.
- Smoke free environments can help attract new members and positively promote our club in the community.

3. GENERAL PRINCIPLES

Smoking restrictions for sporting clubs differ from state to state, and are strengthened regularly. Our club will comply with all relevant state and local government smoking restrictions.

Our club recognises the importance of educating club members, particularly players, of the benefits of implementing a smoking management policy and will provide information to assist this process. In addition, the club will promote resources for members wishing to quit, including the national Quitline (13 78 48, quitnow.gov.au), where appropriate.

¹ The term 'e-cigarettes' includes Electronic Non-Nicotine Delivery Systems and Electronic Nicotine Delivery Systems.

The following policy shall apply to all club members, volunteers and visitors:

- Smoking in this policy includes the use of any form of e-cigarette device.
- Cigarettes, e-cigarettes and any other tobacco products will not be sold, including from vending machines, at any time at or by our club.
- Many young people hold parents, teammates and coaches in high esteem and smoking around them sends the message that smoking is okay. Therefore, we expect that coaches, players, officials and volunteers will refrain from smoking while involved in an official capacity for the club, on and off the field.
- To foster our club's reputation as a healthy environment, no images of club volunteers, members, officials, coaches and players smoking at club-related activities will be placed on social media.

It represents our club's commitment to its members, volunteers and visitors, acknowledging the role that sporting clubs and associations play in building strong and healthy communities.

2. RATIONALE

Ensuring members, visitors and guests getting to and from club games, activities and events safely is an important part of being a responsible, healthy club.

While Jandakot Lakes Junior Cricket Club wishes to avoid club members becoming intoxicated and notes the recommendation by the National Health and Medical Research Council to consume no more than four drinks in one sitting, as part of our club's duty of care we encourage our members to plan safe transport home. This will reduce the risk of drink-driving, injury or worse.

Alcohol and drugs affect pedestrians and drivers' abilities to stay safe. They affect decision-making, reaction times, speed and distance judgements, concentration, balance, perception and alertness. It can also increase risk-taking behaviour by giving a pedestrian or driver a false sense of confidence.

Sporting clubs such as ours help prevent drink driving related tragedies in the community by improving safety around transport and minimising the risk of developing a drinking culture.

3. GENERAL PRINCIPLES

Our club recognises that:

- Drink driving is one of the main causes of road deaths in Australia.
